I want to see my

Please sweetheart-

My Darling:-

I was compelled
to stay in Malville last night
and forenoon again. This ^{2.21}
but will write you tonight.

This is only to remind you
that this little child loves
you and only you.

Have my folks about what
you wrote about yesterday - am
so sorry they are acting so
ingrately (?) Will write
you a letter tonight -
with a heart full of most
purest and best love,

Yours
Ellie
